

**IN THE UNITED STATES COURT OF FEDERAL CLAIMS
BID PROTEST**

AMAZON WEB SERVICES, INC.,

Plaintiff,

v.

UNITED STATES OF AMERICA,

Defendant.

and

MICROSOFT CORPORATION,

Defendant-Intervenor.

Case No. 19-cv-01796

Judge Campbell-Smith

FINAL REDACTED VERSION

**PLAINTIFF'S [REDACTED] MOTION FOR TEMPORARY RESTRAINING ORDER AND
PRELIMINARY INJUNCTION**

Pursuant to Rule 65 and Appendix C of the Rules of the United States Court of Federal Claims, Plaintiff Amazon Web Services, Inc. ("AWS") moves for a temporary restraining order and preliminary injunction to prevent Defendant United States from proceeding under Contract No. HQ0034-20-D-0001, which was awarded under Solicitation No. HQ0034-18-R-0077-0002 to Defendant-Intervenor Microsoft Corporation ("Microsoft"), until AWS's protest is resolved.

As set forth more fully in the accompanying Memorandum in Support, the Court should grant Plaintiff's motion. Defendant's conduct in awarding the above-referenced contract to Microsoft was arbitrary, capricious, and prejudicial. Plaintiff will suffer irreparable harm if Defendant is allowed to proceed with this improper award, while Defendant and Microsoft will suffer no harm due to an injunction pending the Court's decision on the merits of this protest. Accordingly, immediate injunctive relief is warranted.

[REDACTED]
